

## Questions for Facilitators' Discussion      September 12, 2015

### Presentation 1

1. Think of a time when you, as an individual, experienced great loss and went through a period of grieving. What was it like? What was the worst thing about it? What helped you get through it? In the midst of change, what remained the same?
2. Describe an experience when the Pastoral Care Area (PCA) you facilitate, or an organization to which you belong, went through a significant change. What was it like? What effect did it have on the group? Which of the signs of grieving did you go through as a group? What helped you get through the grieving process?

### Presentation 2

1. What gifts do you think you have for leading a group through change? How would you use them? What gifts would you like to develop more fully?
2. To whom would you go in search for gifts you may be lacking and are needed by the group? Are there any people in your planning group who have those skills and could be encouraged to use them for the good of the whole?

### Presentation 3

1. What do you anticipate to be the bigger stressors on the planning journey, and how do you intend to deal with them?
2. What are the connecting points for you on the planning journey? How will you make sure you are connected?
