Updates & Communication

Reminders: If you have not already done so, please send Christine complete contact information for the members of your PCA Planning Group (cwerbeck@syrдио.org). Also, please send a copy of notes/minutes from your PCA Planning Group meetings to the member of the Office of Pastoral Planning who serves as your primary contact. This is very helpful to us.

PCA by PCA – Office for Pastoral Planning liaisons/primary contacts have been updated; some have changed. Br. Ed and Sr. Laura will generally be serving in this role; Msgr. Lang will be available upon request to assist any planning group. He will convene the planning group of any PCA whose needs require special focus. They will participate in at least two PCA Planning Group meetings during the year (ordinarily, fall and spring) and will facilitate a guided discussion on creating an inter-parochial council. It will be important to notify them as soon as possible regarding meeting dates.
